Prison Bars Or a Woman's Sacrifice

George Howard, an old friend of Mason, comes to the house and recognizes Ailes, arthur's young wife, as the woman he had one ago deceived by a false marriage and whom he has been seeking in order to make apparation.

sparation.

Howard hires a man named Gypsy Dan to be due to Alice. The Gypsy makes a mistake and steads Kitty Stanley, Alice's young proses. Thinking his employer has betrayed im, Dan kills Howard. Alice, thinking her puscand is the murderer, declares that she as examplified the crime. committed the crime.

e is sentenced to life imprisonment, but her husband is suspected of the murder arrested.

CHAPTER X.

The Gypsy Camp. was a typical comic-opera scene that the moon illumined one night some months after the events de-soribed in the preceding chapter—a scene that savored rather of some fa-bled operatic land than of prosaic Long his counsel, managed to get him off. The papers say he has vowed to move heaven and earth to establish his inne-heaven and earth to establish his innemonths after the events dea mile or so distant from Westbury.

An abandoned, dilapidated mill, so dif-

ficult of access that even the omni-present vacationist and artist had passed "What can they be comis It by, stood at one side of the deep drawbridge spanned the river, and had Queen," withdrawing into the mill as evidently been constructed by some dead Arthur Mason and his wife approached and gone miller who wished by raising the drawbridge.

It to secure for himself complete isola"This ought to be the place," Mason It to secure for himself complete isolation and privacy. The mill was at the was saying, "unless Tommy and Jack entrance of a steep gorge whose rocks have made a mistake. Here is the gien

In a tiny glade just before the mill his wife had come into view.

The gypsies members of the band whose chief representatives were Gypsy Dan and the Romany woman who had told Alice Mason's fortune to her long before. The ramshackle smill was the band's headquarters, whither they fled after their various depredations, with reasonable hope of ammunity from pursuit.

One of the men was splicing a rotten gope which raised the drawbrdge. Others were playing cards. Suddenly the woman who had told Mrs. Mason's fortunes told. They say a gypsy will do anything for money. If I find the fortune, and who was picturesquely known to the tribe as "The Queen," the power of wealth to buy Kitty's free
The gypsies mad quisapeared as he and his wife had come into view.

"Let us go on exploring the glen, "and see if we can find any traces of the gypsy force."

"It does not read so is your hand."

"You hold supreme authority here?"

"It does not read so is your hand."

"It do."

"It do."

"Well. If you will return this girl to more I will give you \$1,000."

"Have you brought the money with you!"

"No, but I have it at my home, not more than a mile away."

"No, but I have it at my home, not more than a mile away."

"That is well. I think I can serve you in this matter. Come here to-morrow at the same hour. I may have news for you. But come prepared to pay me."

"It will be on hand. Come, Ailce, let's got back. Be careful, the path is very narrow. Let me go first."

The "Queen" become a very by will do anything for money. If I find the pay is a supplementable of the gypsy will do anything for money. If I find the pay is a supplementable of the gypsy will do anything fo In a tiny glade just before the mili his wife had come into view.

"What can they be coming here for?" queried the "Ferret." "Probably after Kitty," replied "The

and there is the old, abandoned mill seek a gypsy girl who fied from you giving the effect of a canyon, through which the creek ran.

The gypsies had disappeared as he and "You came," said "the Queen," "to came," said "to

By FREDERICK A. BROWN A Story of Crime and Adventure in New York, Adapted by the Author from His Successful Play of the Same Title_____

"How do you know what I came for?"
"I read it here," pointing to his hand.
"Well, then, read on."
"You came," said "the Queen," "to "She did not fice from me," answered

Mason; "she was carried away by

Story of Crime and Adventure in New York, Adapted by the Author from His Successius of him," she whispered, and he followed them across the drawbridge.

A house party is assembling at Arthur Mason's Long Island country home.

George Howard, an old friend of Mason, to home to the house and recognizes Alice, and pointing toward the rocks above. "The Ferret," slipping down from the stars tell me this is not my lucky day."

The man addressed as the Ferret "Why are strangers visiting the hongard."

Why are strangers visiting the hongard.

"The reret," slipping down from the stars tell me this is not my lucky day."

The man addressed as the Ferret roused himself from the recumbent position he had compled on the summit of the steep rock just across the stream and replied:

"A man and a woman are coming this way," A moment later he whispered excitedly:

"Why, it is that man Arthur Mason and his wife. I read that Mason was arrested for George Howard's murder and that his wife had been cleared of the charge and released. I didn't know Mason's trial had come off yet."

"His trial ended last week," put in one of the card players. "Everything his counsel, managed to get him off. The papers say he has vowed to move for come. The verdict was a sort of not-proven' affair, you know."

The Ferret, slipping down from:

"Why are strangers visiting the hom.

"Whe wish our fortunes told. Is "the queen."

"What find aer.

"Lee wish our fortunes told. Is "the queen."

"What find aer.

"I have come to have my fortunes arrested for George Howard's murder and that his wife had been cleared of the charge and released. I didn't know Mason's trial had come off yet."

"His trial ended last week," put in seemed against him, but Judge Graham, his counsel, managed to get him off. The papers say he has vowed to move for the care players. "Everything his counsel, managed to get him off. The papers say he has vowed to move for come of the care players. "Everything his counsel, managed to get him off. The papers say he has vowed to move for come of the care players, "Everything his counsel, managed to get him off. The papers say he has a sort of not-proven' affair, you know."

The Ferret." slipping down from the to describe the had.

"What brings you here?" "Was coming the man. "He was not of nish tree."

"I have come to have my fortunes told. Is "the Queen."

"You have passed through many trials and the star'.

"You have passed through many trial and offering the h

"I can't read your hand at all," retorted "the Queen."

"I will make the fee larger."

"Go to vour lookout," ordered the "Queen" from the side of the hill, "and watch for Dan."

"That depends"—

"That depends"—

"Upon whether you get what you came for?"

"How do you know what I came for?"

"How has never been able to penetrato it."

"Queen" from the side of the hill, "and watch for Dan."

"What do you see?" she continued, as he ran to his post at the top of the rock.

"I see something moving through the trees over there on the road," he result was on going at top speed. It is Dan!—with two men on horseback close he has ever had."

"Well, then, read on."
